Škoda Auto Group in 2024: Best financial year ever

Laying the foundation for long-term resilience

2024 Highlights

Skoda becomes the fourth best-selling brand in Europe

For the first time in its history, Škoda Auto ranked fourth among Europe's best-selling carmakers, with the Enyaq family securing third place among battery electric vehicles.

Most modern and diverse product portfolio

Škoda Auto continues to build on its success with the most modern and diverse product portfolio to date, comprising 12 model series.

→ The new all-electric Elrog introduced

The Elroq, a compact all-electric SUV, entered the European market as the most affordable EV in its segment, taking into account its battery size and extensive standard equipment.

In 2024, the Škoda Auto Group achieved its highest-ever sales revenue of €27.8 billion, with an operating profit of €2.3 billion (+30% YoY) and a return on sales of 8.3%. The car manufacturer delivered 926,600 vehicles to customers worldwide, marking a 6.9% year-on-year increase.

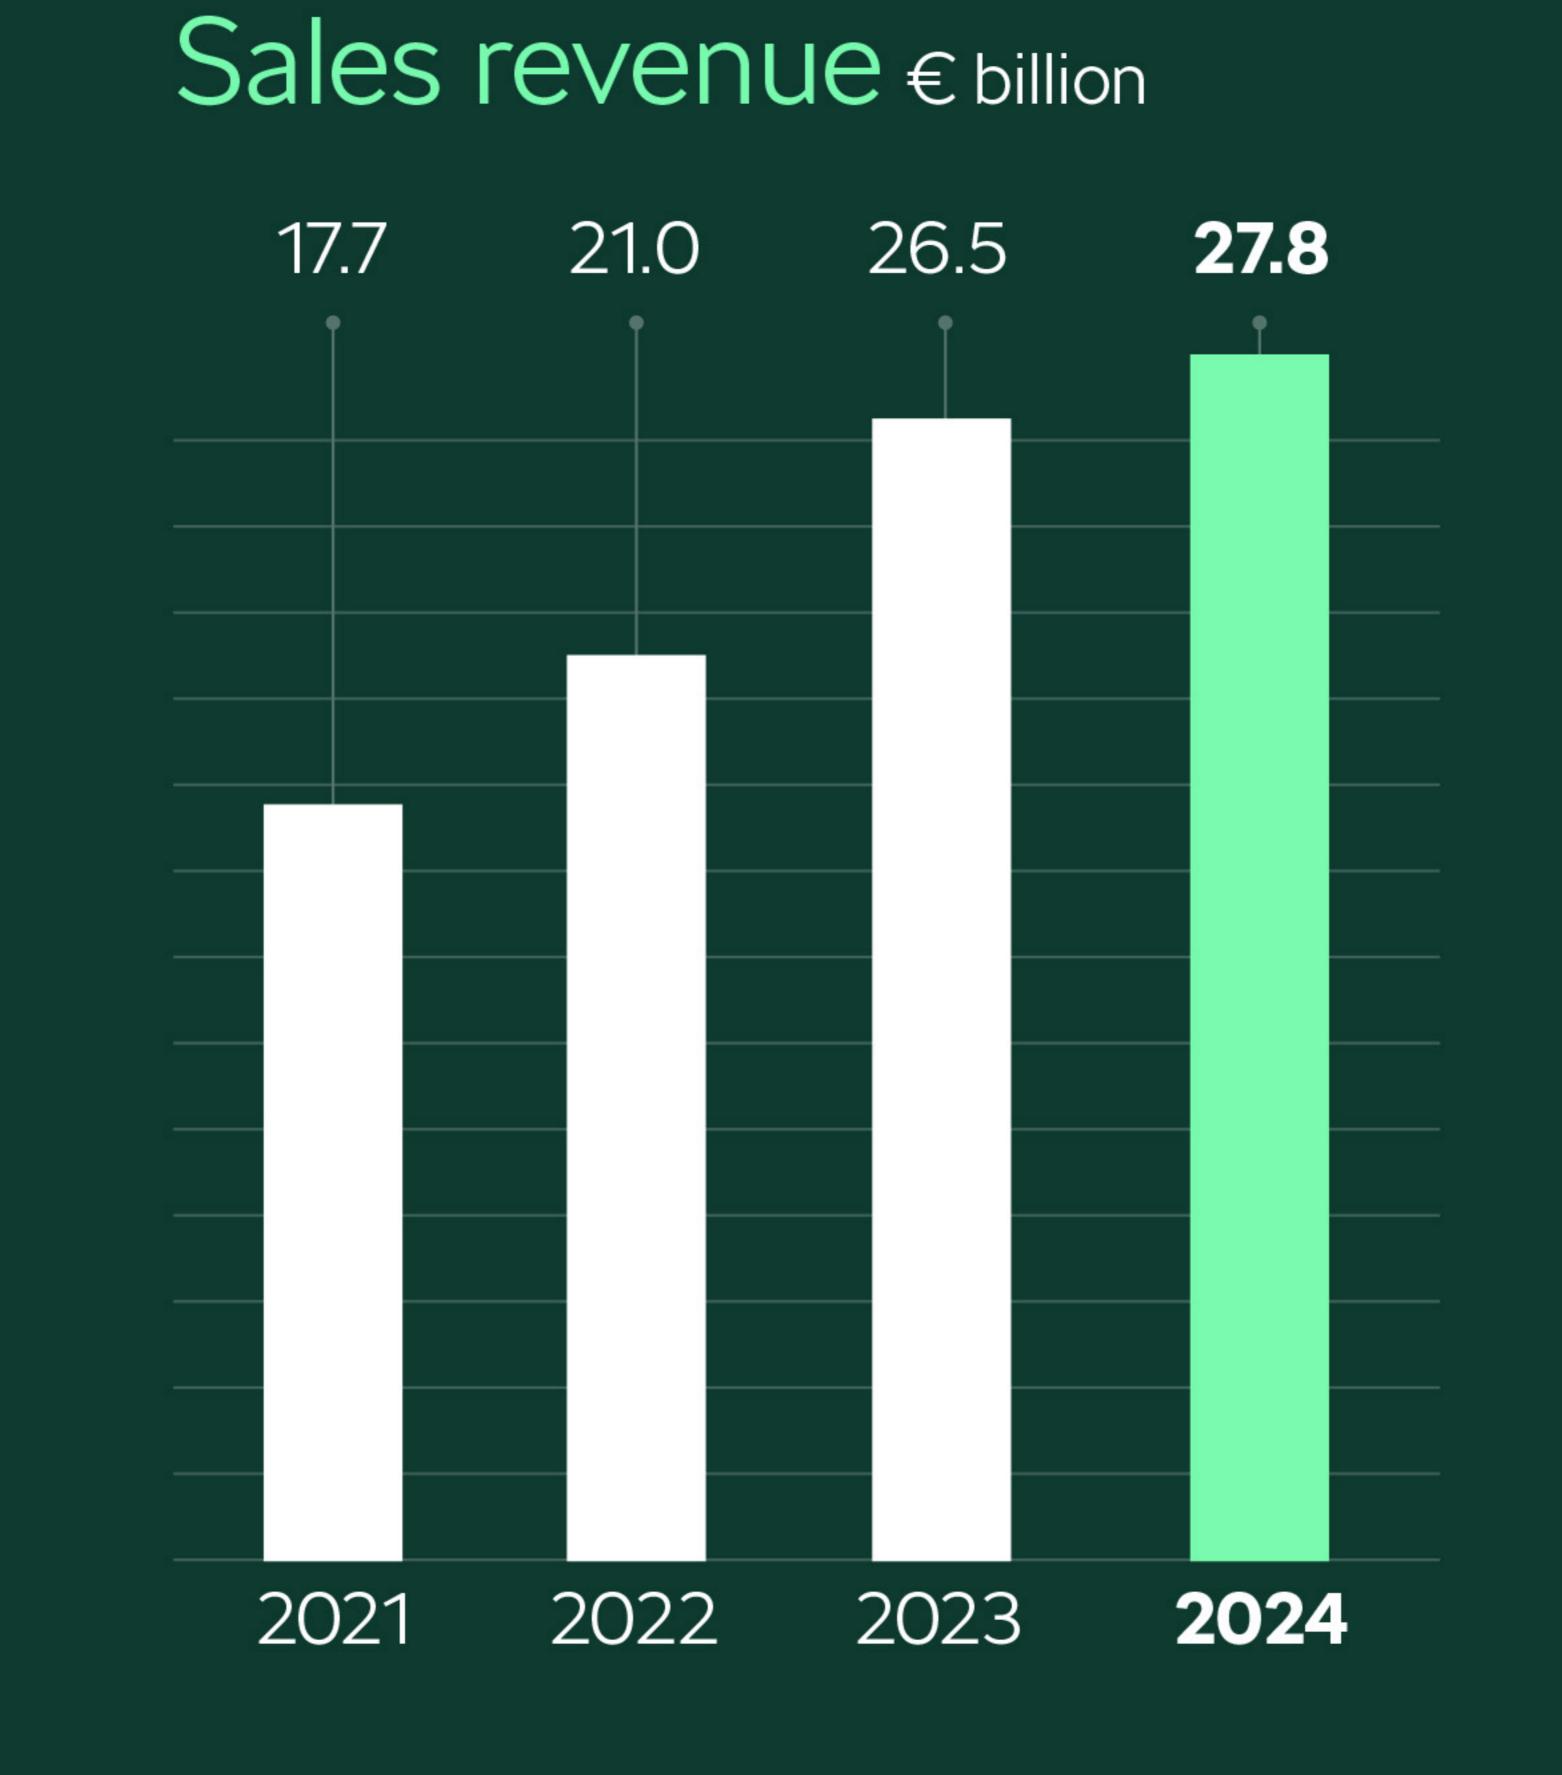

Škoda Auto Group in numbers		2024	2023	Change
